The 17th/18th July, 1975

No. 2633-2FR-75/19027.—In exercise of the powers conferred by article 282 of the Constitution of India and all other powers enabling him in this behalf, the Governor of Haryana hereby makes the following rules to amend the Punjab Financial Rules, Volume II in their application to the State of Haryana, namely:—

1. These rules may be called the Punjab Financial Volume II (Haryana Third Amendment) Rules, 1975;
2. In the Punjab Financial Rules, Volume II, for appendix 17, the following appendix shall be substituted, namely:—

“Appendix 17”

Rules for the supply of articles (other than *Khadi* for which there are separate instructions) from Jails, Co-operative Societies and other institutions (hereinafter referred to as the sources) specified in the Schedule hereto against Government requirements.

1. It is obligatory on all officers to obtain the articles against Government requirements from the sources.

2. Heads of Departments in respect of the sources will supply annually in the month of January, to all Heads of Departments and disbursing officers under advice to Government in the Industries Department, a detailed upto-date list showing:—

- (i) the sources under their control with a list of articles manufactured therein, with prices;
- (ii) the amount of each article or class of articles then each source is required to keep in stock readymade.

(iii) the articles of which samples can be sent on demand or seen at the source; and

(iv) the particulars which should be specified by officers indenting for the various articles.

Note:—Addendum, corrigendum and/or amendments to these list should be issued at any time during the course of a year as and when considered necessary.

3. In case there is more than one source manufacturing a particular item of stores, the indenting officer shall issue enquiries to all of them simultaneously and place order on any one of them.

4. If on receipt of the indent the source concerned is unable to comply therewith, it shall at once inform the indenting officer accordingly who shall then be at liberty to resort to purchase against rate contract, if available, otherwise may make local purchase within his competence.

5. If the source concerned is unable to comply with the indent within the required period and the supply is really urgently needed, the indenting officer may with the sanction of the Head of the Department (or if he is himself a Head of Department, without further sanction) proceed to obtain the article in the manner indicated in rule 4 above.

6. Every endeavour should be made by the indenting Government servant to anticipate his requirements and to place his orders with the sources well in time. Small supplementary indents should, as far as possible, be avoided. Care should be exercised not to crowd in indents towards the end of the Financial year.

7. Where there is any likelihood of dispute as to the quality of an article indented for, the indenting Government servant should, when possible, either obtain a sample from the sources or provide the source concerned with a sample and if he has any complaint regarding the quality of articles provided he should address the head of Department of the source supplying the material direct on the subject.
